To ensure the next generation knows what to do in an emergency, the Government is planning to make health education compulsory in all state-funded schools in England from September 2020 and this includes basic first aid training.

The Student First Aid qualification will provide learners with the skills and knowledge required to provide first aid treatment confidently and safely. In addition, the qualification fulfils the requirements of the Department for Education in respect of first aid training.

Duration

A minimum of three contact hours in the classroom, consisting of practical and theoretical activities. Ideally, the course should be run over half a day (3 hours), but the syllabus can be divided into 3 x 1-hour sessions, spread over a 12-month period.

Syllabus

A range of subjects are covered including:-

- What is first aid?
- Primary survey
- Recovery position
- Resuscitation and AED
- Choking
- Common Injuries

Certification

The practical assessment is ongoing throughout the duration of the course and the learners will be required to complete a multiple-choice question assessment paper at the end of the programme. A three-year qualification can be offered to all, subject to assessment.

Numbers

A maximum of 12 students are allowed and must be a minimum of 11 years of age.
